LAW AS DATA · SAMPLE ARTICLE

Legal information as a public good

2026-07-02 · A Kenyan advocate

Reliable legal information enables informed choices and meaningful debate. We reflect on stewardship, accessibility and the responsibility to keep the law understandable in a data-rich world.

Sample article — for demonstration only.

Shared knowledge

Legal information supports public understanding when it is accurate, accessible and contextualised.

Responsible stewardship

Maintaining a reliable catalogue requires care, review and clear attribution.
